§ 100502. General management plans

General management plans for the preservation and use of each System unit, including areas within the national capital area, shall be prepared and revised in a timely manner by the Director. On January 1 of each year, the Secretary shall submit to Congress a list indicating the current status of completion or revision of general management plans for each System unit. General management plans for each System unit shall include—

- (1) measures for the preservation of the area's resources;
- (2) indications of types and general intensities of development (including visitor circulation and transportation patterns, systems, and modes) associated with public enjoyment and use of the area, including general locations, timing of implementation, and anticipated costs;
- (3) identification of and implementation commitments for visitor carrying capacities for all areas of the System unit; and
- (4) indications of potential modifications to the external boundaries of the System unit, and the reasons for the modifications.

§ 100503. Five-year strategic plans

(a) STRATEGIC AND PERFORMANCE PLANS.—Each System unit shall prepare and make available to the public a 5-year strategic plan and an annual performance plan. The plans shall reflect the Service policies, goals, and outcomes represented in the Service-wide strategic plan prepared pursuant to section 306 of title 5.

(b) ANNUAL BUDGET.—

(1) IN GENERAL.—As a part of the annual performance plan for a System unit prepared pursuant to subsection (a), following receipt of the appropriation for the unit from the Operations of the National Park System account (but not later than January 1 of each year), the superintendent of the System unit shall develop and make available to the public the budget for the current fiscal year for that System unit.

(2) CONTENTS.—The budget shall include—

- (A) funding allocations for resource preservation (including resource management), visitor services (including maintenance, interpretation, law enforcement, and search and rescue), and administration; and

(B) allocations into each of the categories in subparagraph (A) of all funds retained from fees collected for that year, including special use permits, concession franchise fees, and recreation use and entrance fees.

§ 100504. Study and planning of park, parkway, and recreational-area facilities

(a) IN GENERAL.—

(1) DEFINITION.—In this subsection, the term “State” means a State, the District of Columbia, Puerto Rico, Guam, and the Virgin Islands.

(2) STUDY.—The Secretary shall cause the Service to make a comprehensive study, other than on land under the jurisdiction of the Secretary of Agriculture, of the public park, parkway, and recreational area programs of the United States, States, and political subdivisions of States and of areas of land throughout the United States that are or may be chiefly valuable as public park, parkway, or recreational areas. A study shall not be made in any State without the consent and approval of the State officials, boards, or departments having jurisdiction over the land. The study shall be such as, in the judgment of the Secretary, will provide data helpful in developing a plan for coordinated and adequate public park, parkway, and recreational-area facilities for the people of the United States.

(3) COOPERATION AND AGREEMENTS WITH OTHER ENTITIES.—In making the study and to accomplish the purposes of this section, the Secretary, acting through the Director—

(ii) States, political subdivisions of States, and agencies and instrumentalities of either of them.

(4) STATE PLANNING.—For the purpose of developing coordinated and adequate public park, parkway, and recreational-area facilities for the people of the United States, the Secretary may aid States and political subdivisions of States in planning public park, parkway, and recreational areas and in cooperating with one another to accomplish these ends. Aid shall be made available through the Service acting in cooperation with such State agencies or agencies of political subdivisions of States as the Secretary considers best.

(b) CONSENT OF CONGRESS TO AGREEMENTS BETWEEN STATES.—The consent of Congress is given to any 2 or more States to negotiate and enter into compacts or agreements with one another with reference to planning, establishing, developing, improving, and maintaining any park, parkway, or recreational area. No compact or agreement shall be effective until approved by the legislatures of the States that are parties to the compact or agreement and by Congress.

§ 100505. Periodic review of System

(a) AUTHORITY OF SECRETARY TO CONDUCT REVIEW.—The Secretary shall conduct a systematic and comprehensive review of certain aspects of the System and on a periodic basis (but not

less often than every 3 years) submit to the Committee on Natural Resources and the Committee on Appropriations of the House of Representatives and the Committee on Energy and Natural Resources and the Committee on Appropriations of the Senate a report on the findings of the review, together with recommendations as the Secretary determines to be necessary.

(b) CONSULTATION.—In conducting and preparing the report, the Secretary shall consult with appropriate officials of affected Federal, State, and local agencies and national, regional, and local organizations. The consultation shall include holding public hearings that the Secretary determines to be appropriate to provide a full opportunity for public comment.

(c) CONTENTS OF REPORT.—The report shall contain the following:

(1) A comprehensive listing of all authorized but unacquired parcels of land within the exterior boundaries of each System unit as of November 28, 1990.

(2) A priority listing of all those unacquired parcels by System unit and for the System as a whole. The list shall describe the acreage and ownership of each parcel, the estimated cost of acquisition for each parcel (subject to any statutory acquisition limitations for the land), and the basis for the estimate.

(3) An analysis and evaluation of the current and future needs of each System unit for resource management, interpretation, construction, operation and maintenance, personnel, and housing, together with an estimate of the costs.

§ 100506. Boundary changes to System units

(a) CRITERIA FOR EVALUATION.—The Secretary shall maintain criteria to evaluate any proposed changes to the boundaries of System units, including—

(1) analysis of whether or not an existing boundary provides for the adequate protection and preservation of the natural, historic, cultural, scenic and recreational resources integral to the System unit;

(2) an evaluation of each parcel proposed for addition or deletion to a System unit based on the analysis under paragraph (1); and

(3) an assessment of the impact of potential boundary adjustments taking into consideration the factors in section 100505(c)(3) of this title and the effect of the adjustments on the local communities and surrounding area.

(b) PROPOSAL OF SECRETARY.—In proposing a boundary change to a System unit, the Secretary shall—

(1) consult with affected agencies of State and local governments, surrounding communities, affected landowners, and private national, regional, and local organizations;

(2) apply the criteria developed pursuant to subsection (a) and accompany the proposal with a statement reflecting the results of the application of the criteria; and

(3) include with the proposal an estimate of the cost for acquiring any parcels proposed for acquisition, the basis for the estimate, and a statement on the relative priority for the acquisition of each parcel within the priorities for acquisition of other parcels for the System unit and for the System.

(c) MINOR BOUNDARY CHANGES.—

(1) IN GENERAL.—When the Secretary determines that to do so will contribute to, and is necessary for, the proper

preservation, protection, interpretation, or management of a System unit, the Secretary may, following timely notice in writing to the Committee on Natural Resources of the House of Representatives and the Committee on Energy and Natural Resources of the Senate of the Secretary's intention to do so, and by publication of a revised boundary map or other description in the Federal Register—

(A) make minor changes to the boundary of the System unit, and amounts appropriated from the Fund shall be available for acquisition of any land, water, and interests in land or water added to the System unit by the boundary change subject to such statutory limitations, if any, on methods of acquisition and appropriations thereof as may be specifically applicable to the System unit; and

(B) acquire by donation, purchase with donated funds, transfer from any other Federal agency, or exchange, land, water, or interests in land or water adjacent to the System unit, except that in exercising the Secretary's authority under this subparagraph the Secretary—

(i) shall not alienate property administered as part of the System to acquire land by exchange;

(ii) shall not acquire property without the consent of the owner; and

(iii) may acquire property owned by a State or political subdivision of a State only by donation.

(2) CONSULTATION.—Prior to making a determination under this subsection, the Secretary shall consult with the governing body of the county, city, town, or other jurisdiction or jurisdictions having primary taxing authority over the land or interest to be acquired as to the impacts of the proposed action.

(3) ACTION TO ADVANCE LOCAL PUBLIC AWARENESS.—The Secretary shall take such steps as the Secretary considers appropriate to advance local public awareness of the proposed action.

(4) ADMINISTRATION OF ACQUISITIONS.—Land, water, and interests in land or water acquired in accordance with this subsection shall be administered as part of the System unit to which they are added, subject to the laws and regulations applicable to the System unit.

(5) WHEN AUTHORITY APPLIES.—For the purposes of paragraph (1)(A), in all cases except the case of technical boundary changes (resulting from such causes as survey error or changed road alignments), the authority of the Secretary under paragraph (1)(A) shall apply only if each of the following conditions is met:

(A) The sum of the total acreage of the land, water, and interests in land or water to be added to the System unit and the total acreage of the land, water, and interests in land or water to be deleted from the System unit is not more than 5 percent of the total Federal acreage authorized to be included in the System unit and is less than 200 acres.

(B) The acquisition, if any, is not a major Federal action significantly affecting the quality of the human environment, as determined by the Secretary.

(C) The sum of the total appraised value of the land, water, and interests in land or water to be added to the System unit and the total appraised value of the land,

water, and interests in land or water to be deleted from the System unit does not exceed \$750,000.

(D) The proposed boundary change is not an element of a more comprehensive boundary change proposal.

(E) The proposed boundary has been subject to a public review and comment period.

(F) The Director obtains written consent for the boundary change from all property owners whose land, water, or interests in land or water, or a portion of whose land, water, or interests in land or water, will be added to or deleted from the System unit by the boundary change.

(G) The land abuts other Federal land administered by the Director.

(6) ACT OF CONGRESS REQUIRED.—Minor boundary changes involving only deletions of acreage owned by the Federal Government and administered by the Service may be made only by Act of Congress.

§ 100507. Additional areas for System

(a) MONITORING AREAS FOR INCLUSION IN SYSTEM.—The Secretary shall investigate, study, and continually monitor the welfare of areas whose resources exhibit qualities of national significance and that may have potential for inclusion in the System.

(b) SUBMISSION OF LIST OF AREAS RECOMMENDED FOR STUDY FOR POTENTIAL INCLUSION.—

(1) WHEN LIST IS TO BE SUBMITTED.—At the beginning of each calendar year, with the annual budget submission, the Secretary shall submit to the Committee on Natural Resources of the House of Representatives and the Committee on Energy and Natural Resources of the Senate a list of areas recommended for study for potential inclusion in the System.

(2) FACTORS TO BE CONSIDERED.—In developing the list to be submitted under this subsection, the Secretary shall consider—

(A) the areas that have the greatest potential to meet the established criteria of national significance, suitability, and feasibility;

(B) themes, sites, and resources not already adequately represented in the System; and

(C) public petitions and Congressional resolutions.

(3) ACCOMPANYING SYNOPSIS.—Accompanying the annual listing of areas shall be a synopsis, for each report previously submitted, of the current and changed condition of the resource integrity of the area and other relevant factors, compiled as a result of continual periodic monitoring and embracing the period since the previous submission or initial report submission one year earlier.

(4) CONGRESSIONAL AUTHORIZATION REQUIRED.—No study of the potential of an area for inclusion in the System may be initiated except as provided by specific authorization of an Act of Congress.

(5) AUTHORITY TO CONDUCT CERTAIN ACTIVITIES NOT LIMITED.—This section and sections 100901(b), 101702(b) and (c), and 102102 of this title do not limit the authority of the Service to conduct preliminary resource assessments, gather data on potential study areas, provide technical and planning assistance, prepare or process nominations for administrative

designations, update previous studies, or complete reconnaissance surveys of individual areas requiring a total expenditure of less than \$25,000.

(6) STUDY OF RIVERS OR TRAILS NOT AFFECTED.—This section does not apply to or affect or alter the study of—

(A) any river segment for potential addition to the national wild and scenic rivers system; or

(3) CONSIDERATIONS.—In conducting the study, the Secretary shall consider whether the area under study—

(A) possesses nationally significant natural or cultural resources and represents one of the most important examples of a particular resource type in the country; and

(B) is a suitable and feasible addition to the System.

(4) SCOPE OF STUDY.—Each study—

(A) with regard to the area being studied, shall consider—

(i) the rarity and integrity of the resources;

(ii) the threats to those resources;

(iii) whether similar resources are already protected in the System or in other public or private ownership;

(iv) the public use potential;

(v) the interpretive and educational potential;

(vi) costs associated with acquisition, development, and operation;

(vii) the socioeconomic impacts of any designation;

(viii) the level of local and general public support;

and

(ix) whether the area is of appropriate configuration to ensure long-term resource protection and visitor use;

(B) shall consider whether direct Service management or alternative protection by other public agencies or the private sector is appropriate for the area;

(C) shall identify what alternative or combination of alternatives would in the professional judgment of the Director be most effective and efficient in protecting significant resources and providing for public enjoyment; and

(D) may include any other information that the Secretary considers to be relevant.

(5) COMPLIANCE WITH NATIONAL ENVIRONMENTAL POLICY ACT OF 1969.—Each study shall be completed in compliance with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.).

(6) RECOMMENDATION OF PREFERRED MANAGEMENT OPTION.—The letter transmitting each completed study to Congress shall

contain a recommendation regarding the Secretary's preferred management option for the area.

(d) LIST OF AREAS PREVIOUSLY STUDIED.—

(1) SUBMISSION OF LIST.—At the beginning of each calendar year, with the annual budget submission, the Secretary shall submit to the Committee on Natural Resources of the House of Representatives and the Committee on Energy and Natural Resources of the Senate, in numerical order of priority for addition to the System—

(A) a list of areas that have been previously studied that contain primarily historical resources; and

(B) a list of areas that have been previously studied that contain primarily natural resources.

(2) CONSIDERATIONS.—In developing the lists, the Secretary should consider threats to resource values, cost escalation factors, and other factors listed in subsection (c).

(3) AREAS ELIGIBLE FOR INCLUSION.—The Secretary should include on the lists only areas for which the supporting data are current and accurate.

(e) LIST OF AREAS THAT EXHIBIT DANGER OR THREATS TO THE INTEGRITY OF THEIR RESOURCES.—At the beginning of each fiscal year, the Secretary shall submit to the Speaker of the House of Representatives and the President of the Senate a complete and current list of all areas listed on the Registry of Natural Landmarks, and areas of national significance listed on the National Register of Historic places, that exhibit known or anticipated damage or threats to the integrity of their resources, with notations as to the nature and severity of the damage or threats.

(f) REPORTS AND LISTINGS PRINTED AS HOUSE DOCUMENTS.—Each report and annual listing described in this section shall be printed as a House document. If adequate supplies of previously printed identical reports remain available, newly submitted identical reports shall be omitted from printing on receipt by the Speaker of the House of Representatives of a joint letter from the chairman of the Committee on Natural Resources of the House of Representatives and the chairman of the Committee on Energy and Natural Resources of Senate indicating that to be the case.

(g) DESIGNATION OF OFFICE.—The Secretary shall designate a single office to prepare all new area studies and to implement other functions under this section.

(h) AUTHORIZATION OF APPROPRIATIONS.—

(1) STUDIES OF POTENTIAL NEW SYSTEM UNITS AND MONITORING THE WELFARE OF SYSTEM UNIT RESOURCES.—To carry out studies for potential new System units and for monitoring the welfare of historical and natural resources referred to in subparagraphs (A) and (B) of subsection (d)(1), there is authorized to be appropriated not more than \$1,000,000 for each fiscal year.

(2) MONITORING WELFARE AND INTEGRITY OF NATIONAL LANDMARKS.—To monitor the welfare and integrity of the national landmarks, there is authorized to be appropriated not more than \$1,500,000 for each fiscal year.

(3) CARRYING OUT SUBSECTIONS (b), (c), and (g).—To carry out subsections (b), (c), and (g), there is authorized to be appropriated \$2,000,000 for each fiscal year.

In each case in which an action undertaken by the Service may cause a significant adverse effect on a System unit resource, the administrative record shall reflect the manner in which System unit resource studies have been considered. The trend in the condition of resources of the System shall be a significant factor in the annual performance evaluation of each superintendent of a System unit.

§ 100707. Confidentiality of information

Information concerning the nature and specific location of a System resource that is endangered, threatened, rare, or commercially valuable, of mineral or paleontological objects within System units, or of objects of cultural patrimony within System units, may be withheld from the public in response to a request under section 552 of title 5 unless the Secretary determines that—

(1) disclosure of the information would further the purposes of the System unit in which the resource or object is located and would not create an unreasonable risk of harm, theft, or destruction of the resource or object, including individual organic or inorganic specimens; and

(2) disclosure is consistent with other laws protecting the resource or object.

destruction, loss, or injury to a System unit resource would have occurred, may bring a civil action in United States district court against any person or instrumentality that may be liable under section 100722 of this title for response costs and damages. The Secretary shall submit a request for the civil action to the Attorney General whenever a person may be liable or an instrumentality may be liable in rem for those costs and damages under section 100722 of this title.

Subchapter III—Mining Activity Within System Units

§ 100731. Findings and declaration

Congress finds and declares that—

(1) the level of technology of mineral exploration and development has changed radically, and continued application of the mining laws of the United States to System units to which the mining laws apply conflicts with the purposes for which the System units were established; and

(2) all mining operations in System units should be conducted so as to prevent or minimize damage to the environment and other resource values.

§ 100732. Preservation and management of System units by Secretary; promulgation of regulations

To preserve for the benefit of present and future generations the pristine beauty of System units, and to further the purposes of section 100101(a), chapter 1003, and sections 100751(a), 100752, 100753, and 102101 of this title and the individual organic Acts for the System units, all activities resulting from the exercise of mineral rights on patented or unpatented mining claims within any System unit shall be subject to such regulations prescribed by the Secretary as the Secretary considers necessary or desirable for the preservation and management of the System units.

§ 100733. Recordation of mining claims; publication of notice

All mining claims under the Mining Law of 1872 (30 U.S.C. chapter 2, sections 161 and 162, and chapters 12A and 16) that lie within the boundaries of System units in existence on September 28, 1976, that were not recorded with the Secretary within one year after September 28, 1976, shall be conclusively presumed to be abandoned and shall be void. The recordation does not render valid any claim that was not valid on September 28, 1976, or that becomes invalid after that date.

§ 100734. Report on finding or notification of potential damage to natural and historical landmarks

When the Secretary finds on the Secretary's own motion or on being notified in writing by an appropriate scientific, historical, or archeological authority that a district, site, building, structure, or object that has been found to be nationally significant in illustrating natural history or the history of the United States and that has been designated as a natural or historic landmark may be irreparably lost or destroyed in whole or in part by any surface mining activity, including exploration for or removal or production of minerals or materials, the Secretary shall notify the person conducting the activity and submit a report on the findings or notification, including the basis for the Secretary's finding that the activity may cause irreparable loss or destruction of a national landmark, to the Advisory Council on Historic Preservation, with a request for advice of the Council as to alternative measures that may be taken by the United States to mitigate or abate the activity.

§ 100735. Civil actions for just compensation by mining claim holders

The holder of any patented or unpatented mining claim subject to this subchapter that believes the holder has suffered a loss by operation of this subchapter, or by orders or regulations issued pursuant to this subchapter, may bring a civil action in United States district court to recover just compensation, which shall be awarded if the court finds that the loss constitutes a taking of property compensable under the Constitution.

§ 100736. Acquisition of land by Secretary

Nothing in this subchapter shall be construed to limit the authority of the Secretary to acquire land and interests in land within the boundary of any System unit. The Secretary shall give prompt and careful consideration to any offer made by the owner of any valid right or other property in Glacier Bay National Monument, Death Valley National Monument, Organ Pipe Cactus National Monument, or Mount McKinley National Park to sell the right or other property if the owner notifies the Secretary that the continued ownership of the right or property is causing, or would result in, undue hardship.

(a) **IN GENERAL.**—Notwithstanding any other provision of law, the Secretary may relinquish to a State or a territory (including a possession) of the United States part of the legislative jurisdiction of the United States over System land or interests in land in that State or territory. Relinquishment may be accomplished—

(1) by filing with the chief executive official of the State or territory a notice of relinquishment to take effect on acceptance; or

(2) as the laws of the State or territory may otherwise provide.

(b) **SUBMISSION OF AGREEMENT TO CONGRESS.**—Prior to consummating a relinquishment under subsection (a), the Secretary shall submit the proposed agreement to the Committee on Energy and Natural Resources of the Senate and the Committee on Natural Resources of the House of Representatives. The Secretary shall not finalize the agreement until 60 calendar days after the submission has elapsed.

(c) **CONCURRENT LEGISLATIVE JURISDICTION.**—The Secretary shall diligently pursue the consummation of arrangements with each State or territory within which a System unit is located so that insofar as practicable the United States shall exercise concurrent legislative jurisdiction within System units.

The reimbursements for cost of the services may be credited to the appropriation current at the time reimbursements are received.

(2) **PREFERENTIAL RIGHT OF RENEWAL.**—The term “preferential right of renewal” means the right of a concessioner, subject to a determination by the Secretary that the facilities or services authorized by a prior contract continue to be necessary and appropriate within the meaning of section 101912 of this title, to match the terms and conditions of any competing proposal that the Secretary determines to be the best proposal for a proposed new concession contract that authorizes the continuation of the facilities and services provided by the concessioner under its prior contract.

§ 101912. Findings and declaration of policy

(a) **FINDINGS.**—In furtherance of section 100101(a), Congress finds that the preservation and conservation of System unit resources and values requires that public accommodations, facilities, and services that have to be provided within those System units should be provided only under carefully controlled safeguards against unregulated and indiscriminate use, so that—

(1) visitation will not unduly impair those resources and values; and

(2) development of public accommodations, facilities, and services within System units can best be limited to locations that are consistent to the highest practicable degree with the preservation and conservation of the resources and values of the System units.

(b) **DECLARATION OF POLICY.**—It is the policy of Congress that the development of public accommodations, facilities, and services in System units shall be limited to accommodations, facilities, and services that—

(1) are necessary and appropriate for public use and enjoyment of the System unit in which they are located; and

(2) are consistent to the highest practicable degree with the preservation and conservation of the resources and values of the System unit.

§ 101913. Award of concession contracts

In furtherance of the findings and policy stated in section 101912 of this title, and except as provided by this subchapter or otherwise authorized by law, the Secretary shall utilize concession contracts to authorize a person, corporation, or other entity to provide accommodations, facilities, and services to visitors to System units. Concession contracts shall be awarded as follows:

(1) **COMPETITIVE SELECTION PROCESS.**—Except as otherwise provided in this section, all proposed concession contracts shall be awarded by the Secretary to the person, corporation, or other entity submitting the best proposal, as determined by the Secretary through a competitive selection process. The competitive process shall include simplified procedures for

small, individually-owned entities seeking award of a concession contract.

(2) SOLICITATION OF PROPOSALS.—Except as otherwise provided in this section, prior to awarding a new concession contract (including renewals or extensions of existing concession contracts) the Secretary—

(A) shall publicly solicit proposals for the concession contract; and

(B) in connection with the solicitation, shall—

(i) prepare a prospectus and publish notice of its availability at least once in local or national newspapers or trade publications, by electronic means, or both, as appropriate; and

(ii) make the prospectus available on request to all interested persons.

(3) INFORMATION TO BE INCLUDED IN PROSPECTUS.—The prospectus shall include the following information:

(A) The minimum requirements for the contract as set forth in paragraph (4).

(B) The terms and conditions of any existing concession contract relating to the services and facilities to be provided, including all fees and other forms of compensation provided to the United States by the concessioner.

(C) Other authorized facilities or services that may be provided in a proposal.

(D) Facilities and services to be provided by the Secretary to the concessioner, including public access, utilities, and buildings.

(E) An estimate of the amount of compensation due an existing concessioner from a new concessioner under the terms of a prior concession contract.

(F) A statement as to the weight to be given to each selection factor identified in the prospectus and the relative importance of those factors in the selection process.

(G) Other information related to the proposed concession operation that is provided to the Secretary pursuant to a concession contract or is otherwise available to the Secretary, as the Secretary determines is necessary to allow for the submission of competitive proposals.

(H) Where applicable, a description of a preferential right to the renewal of the proposed concession contract held by an existing concessioner as set forth in paragraph (7).

(4) CONSIDERATION OF PROPOSALS.—

(A) MINIMUM REQUIREMENTS.—No proposal shall be considered that fails to meet the minimum requirements as determined by the Secretary. The minimum requirements shall include the following:

(iii) Measures necessary to ensure the protection, conservation, and preservation of resources of the System unit.

(B) REJECTION OF PROPOSAL.—The Secretary shall reject any proposal, regardless of the franchise fee offered, if the Secretary determines that—

(i) the person, corporation, or entity is not qualified or is not likely to provide satisfactory service; or

(ii) the proposal is not responsive to the objectives of protecting and preserving resources of the System unit and of providing necessary and appropriate facilities and services to the public at reasonable rates.

(C) ALL PROPOSALS FAIL TO MEET MINIMUM REQUIREMENTS OR ARE REJECTED.—If all proposals submitted to the Secretary fail to meet the minimum requirements or are rejected by the Secretary, the Secretary shall establish new minimum contract requirements and re-initiate the competitive selection process pursuant to this section.

(D) TERMS AND CONDITIONS MATERIALLY AMENDED OR NOT INCORPORATED IN CONTRACT.—The Secretary may not execute a concession contract that materially amends or does not incorporate the proposed terms and conditions of the concession contract as set forth in the applicable prospectus. If proposed material amendments or changes are considered appropriate by the Secretary, the Secretary shall resolicit offers for the concession contract incorporating the material amendments or changes.

(5) SELECTION OF THE BEST PROPOSAL.—

(A) FACTORS IN SELECTION.—In selecting the best proposal, the Secretary shall consider the following principal factors:

(i) The responsiveness of the proposal to the objectives of protecting, conserving, and preserving resources of the System unit and of providing necessary and appropriate facilities and services to the public at reasonable rates.

(ii) The experience and related background of the person, corporation, or entity submitting the proposal, including the past performance and expertise of the person, corporation or entity in providing the same or similar facilities or services.

(iii) The financial capability of the person, corporation, or entity submitting the proposal.

(iv) The proposed franchise fee, except that consideration of revenue to the United States shall be subordinate to the objectives of protecting, conserving, and preserving resources of the System unit and of providing necessary and appropriate facilities to the public at reasonable rates.

(B) SECONDARY FACTORS.—The Secretary may also consider such secondary factors as the Secretary considers appropriate.

(C) DEVELOPMENT OF REGULATIONS.—In developing regulations to implement this subchapter, the Secretary shall consider the extent to which plans for employment of Indians (including Native Alaskans) and involvement of businesses owned by Indians, Indian tribes, or Native Alaskans in the operation of a concession contract should be identified as a factor in the selection of a best proposal under this section.

(6) CONGRESSIONAL NOTIFICATION.—

(A) IN GENERAL.—The Secretary shall submit any proposed concession contract with anticipated annual gross

receipts in excess of \$5,000,000 or a duration of more than 10 years to the Committee on Natural Resources of the House of Representatives and the Committee on Energy and Natural Resources of the Senate.

(B) WAITING PERIOD.—The Secretary shall not award any proposed concession contract to which subparagraph (A) applies until at least 60 days subsequent to the notification of both Committees.

(B) EXCEPTION.—The Secretary shall grant a preferential right of renewal to an existing concessioner with respect to proposed renewals of the categories of concession contracts described by paragraph (8), subject to the requirements of that paragraph.

(C) ENTITLEMENT TO AWARD OF NEW CONTRACT.—A concessioner that successfully exercises a preferential right of renewal in accordance with the requirements of this subchapter shall be entitled to award of the proposed new concession contract to which the preference applies.

(8) OUTFITTER AND GUIDE SERVICES AND SMALL CONTRACTS.—

(A) APPLICATION.—Paragraph (7) shall apply only to the following:

(i) Subject to subparagraph (B), concession contracts that solely authorize the provision of specialized backcountry outdoor recreation guide services that require the employment of specially trained and experienced guides to accompany System unit visitors in the backcountry so as to provide a safe and enjoyable experience for visitors who otherwise may not have the skills and equipment to engage in that activity.

(ii) Subject to subparagraph (C), concession contracts with anticipated annual gross receipts under \$500,000.

(B) OUTFITTING AND GUIDE CONCESSIONERS.—

(i) DESCRIPTION.—Outfitting and guide concessioners, where otherwise qualified, include concessioners that provide guided river running, hunting, fishing, horseback, camping, and mountaineering experiences.

(ii) WHEN ENTITLED TO PREFERENTIAL RIGHT.—An outfitting and guide concessioner is entitled to a preferential right of renewal under this subchapter only if—

(I) the contract with the outfitting and guide concessioner does not grant the concessioner any interest, including any leasehold surrender interest or possessory interest, in capital improvements on land owned by the United States within a System unit, other than a capital improvement constructed by a concessioner pursuant to the terms of a concession contract prior to November 13, 1998, or constructed or owned by a concessioner or the concessioner's predecessor before the subject land was incorporated into the System;

(II) the Secretary determines that the concessioner has operated satisfactorily during the term of the contract (including any extension); and

(III) the concessioner has submitted a responsive proposal for a proposed new concession contract that satisfies the minimum requirements established by the Secretary pursuant to paragraph (4).

(C) CONTRACT WITH ESTIMATED GROSS RECEIPTS OF LESS THAN \$500,000.—A concessioner that holds a concession contract that the Secretary estimates will result in gross annual receipts of less than \$500,000 if renewed shall be entitled to a preferential right of renewal under this subchapter if—

(i) the Secretary has determined that the concessioner has operated satisfactorily during the term of the contract (including any extension); and

(ii) the concessioner has submitted a responsive proposal for a proposed new concession contract that satisfies the minimum requirements established by the Secretary pursuant to paragraph (4).

(9) NEW OR ADDITIONAL SERVICES.—The Secretary shall not grant a preferential right to a concessioner to provide new or additional services in a System unit.

(10) AUTHORITY OF SECRETARY NOT LIMITED.—Nothing in this subchapter shall be construed as limiting the authority of the Secretary to determine whether to issue a concession contract or to establish its terms and conditions in furtherance of the policies expressed in this subchapter.

(11) EXCEPTIONS.—Notwithstanding this section, the Secretary may award, without public solicitation, the following:

(A) TEMPORARY CONTRACT.—To avoid interruption of services to the public at a System unit, the Secretary may award a temporary concession contract or an extension of an existing concessions contract for a term not to exceed 3 years, except that prior to making the award, the Secretary shall take all reasonable and appropriate steps to consider alternatives to avoid the interruption.

(B) CONTRACT IN EXTRAORDINARY CIRCUMSTANCES.—The Secretary may award a concession contract in extraordinary circumstances where compelling and equitable considerations require the award of a concession contract to a particular party in the public interest. Award of a concession contract under this subparagraph shall not be made by the Secretary until at least 30 days after—

(i) publication in the Federal Register of notice of the Secretary's intention to award the contract and the reasons for the action; and

(ii) submission of notice to the Committee on Energy and Natural Resources of the Senate and the Committee on Natural Resources of the House of Representatives.

§ 101914. Term of concession contracts

A concession contract entered into pursuant to this subchapter shall generally be awarded for a term of 10 years or less. The Secretary may award a contract for a term of up to 20 years if the Secretary determines that the contract terms and conditions,

including the required construction of capital improvements, warrant a longer term.

§ 101915. Protection of concessioner investment

(a) DEFINITIONS.—In this section:

(1) CAPITAL IMPROVEMENT.—The term “capital improvement” means a structure, a fixture, or nonremovable equipment provided by a concessioner pursuant to the terms of a concession contract and located on land of the United States within a System unit.

(2) CONSUMER PRICE INDEX.—The term “Consumer Price Index” means—

(A) the “Consumer Price Index—All Urban Consumers” published by the Bureau of Labor Statistics of the Department of Labor; or

(B) if the Index is not published, another regularly published cost-of-living index approximating the Consumer Price Index.

(b) LEASEHOLD SURRENDER INTEREST IN CAPITAL IMPROVEMENTS.—A concessioner that constructs a capital improvement on land owned by the United States within a System unit pursuant to a concession contract shall have a leasehold surrender interest in the capital improvement subject to the following terms and conditions:

(1) IN GENERAL.—A concessioner shall have a leasehold surrender interest in each capital improvement constructed by a concessioner under a concession contract, consisting solely of a right to compensation for the capital improvement to the extent of the value of the concessioner’s leasehold surrender interest in the capital improvement.

(2) PLEDGE AS SECURITY.—A leasehold surrender interest may be pledged as security for financing of a capital improvement or the acquisition of a concession contract when approved by the Secretary pursuant to this subchapter.

(3) TRANSFER AND RELINQUISHMENT OR WAIVER OF INTEREST.—A leasehold surrender interest shall be transferred by the concessioner in connection with any transfer of the concession contract and may be relinquished or waived by the concessioner.

(4) LIMIT ON EXTINGUISHING OR TAKING INTEREST.—A leasehold surrender interest shall not be extinguished by the expiration or other termination of a concession contract and may not be taken for public use except on payment of just compensation.

(5) VALUE OF INTEREST.—The value of a leasehold surrender interest in a capital improvement shall be an amount equal to the initial value (construction cost of the capital improvement), increased (or decreased) by the same percentage increase (or decrease) as the percentage increase (or decrease) in the Consumer Price Index, from the date of making the investment in the capital improvement by the concessioner to the date of payment of the value of the leasehold surrender interest, less depreciation of the capital improvement as evidenced by the condition and prospective serviceability in comparison with a new unit of like kind.

(6) VALUE OF INTEREST IN CERTAIN NEW CONCESSION CONTRACTS.—

(A) HOW VALUE IS DETERMINED.—The Secretary may provide, in any new concession contract that the Secretary estimates will have a leasehold surrender interest of more than \$10,000,000, that the value of any leasehold surrender interest in a capital improvement shall be based on—

(i) a reduction on an annual basis, in equal portions, over the same number of years as the time period associated with the straight line depreciation of the initial value (construction cost of the capital improvement), as provided by applicable Federal income tax laws and regulations in effect on November 12, 1998;

or

(ii) an alternative formula that is consistent with the objectives of this subchapter.

(B) WHEN ALTERNATIVE FORMULA MAY BE USED.—The Secretary may use an alternative formula under subparagraph (A)(ii) only if the Secretary determines, after scrutiny of the financial and other circumstances involved in the particular concession contract (including providing notice in the Federal Register and opportunity for comment), that the alternative formula is, compared to the standard method of determining value provided for in paragraph (5), necessary to provide a fair return to the Federal Government and to foster competition for the new contract by providing a reasonable opportunity to make a profit under the new contract. If no responsive offers are received in response to a solicitation that includes the alternative formula, the concession opportunity shall be resolicited with the leasehold surrender interest value as described in paragraph (5).

(7) INCREASE IN VALUE OF INTEREST.—Where a concessioner, pursuant to the terms of a concession contract, makes a capital improvement to an existing capital improvement in which the concessioner has a leasehold surrender interest, the cost of the additional capital improvement shall be added to the then-current value of the concessioner's leasehold surrender interest.

(c) SPECIAL RULE FOR POSSESSORY INTEREST EXISTING BEFORE NOVEMBER 13, 1998.—

(1) IN GENERAL.—A concessioner that has obtained a possessory interest (as defined pursuant to the Act of October 9, 1965 (known as the National Park Service Concessions Policy Act; Public Law 89–249, 79 Stat. 969), as in effect on November 12, 1998) under the terms of a concession contract entered into before November 13, 1998, shall, on the expiration or termination of the concession contract, be entitled to receive compensation for the possessory interest improvements in the amount and manner as described by the concession contract. Where that possessory interest is not described in the existing concession contract, compensation of possessory interest shall be determined in accordance with the laws in effect on November 12, 1998.

(2) EXISTING CONCESSIONER AWARDED A NEW CONTRACT.—A concessioner awarded a new concession contract to replace an existing concession contract after November 13, 1998, instead of directly receiving the possessory interest compensation, shall have a leasehold surrender interest in its existing possessory interest improvements under the terms of the new

concession contract and shall carry over as the initial value of the leasehold surrender interest (instead of construction cost) an amount equal to the value of the existing possessory interest as of the termination date of the previous concession contract. In the event of a dispute between the concessioner and the Secretary as to the value of the possessory interest, the matter shall be resolved through binding arbitration.

(3) **NEW CONCESSIONER AWARDED A CONTRACT.**—A new concessioner awarded a concession contract and required to pay a prior concessioner for possessory interest in prior improvements shall have a leasehold surrender interest in the prior improvements. The initial value in the leasehold surrender interest (instead of construction cost) shall be an amount equal to the value of the existing possessory interest as of the termination date of the previous concession contract.

(4) **DE NOVO REVIEW OF VALUE DETERMINATION.**—If the Secretary, or either party to a value determination proceeding conducted under a Service concession contract issued before November 13, 1998, considers that the value determination decision issued pursuant to the proceeding misinterprets or misapplies relevant contractual requirements or their underlying legal authority, the Secretary or either party may seek, within 180 days after the date of the decision, de novo review of the value determination decision by the United States Court of Federal Claims. The Court of Federal Claims may make an order affirming, vacating, modifying or correcting the determination decision.

(d) **TRANSITION TO SUCCESSOR CONCESSIONER.**—On expiration or termination of a concession contract entered into after November 13, 1998, a concessioner shall be entitled under the terms of the concession contract to receive from the United States or a successor concessioner the value of any leasehold surrender interest in a capital improvement as of the date of the expiration or termination. A successor concessioner shall have a leasehold surrender interest in the capital improvement under the terms of a new concession contract and the initial value of the leasehold surrender interest in the capital improvement (instead of construction cost) shall be the amount of money the new concessioner is required to pay the prior concessioner for its leasehold surrender interest under the terms of the prior concession contract.

(e) **TITLE TO IMPROVEMENTS.**—Title to any capital improvement constructed by a concessioner on land owned by the United States in a System unit shall be vested in the United States.

§ 101916. Reasonableness of rates and charges

(a) **IN GENERAL.**—A concession contract shall permit the concessioner to set reasonable and appropriate rates and charges for facilities, goods, and services provided to the public, subject to approval under subsection (b).

(b) **APPROVAL BY SECRETARY REQUIRED.**—

(1) **FACTORS TO CONSIDER.**—A concessioner's rates and charges to the public shall be subject to approval by the Secretary. The approval process utilized by the Secretary shall be as prompt and as unburdensome to the concessioner as possible and shall rely on market forces to establish reasonableness of rates and charges to the maximum extent practicable.

The Secretary shall approve rates and charges that the Secretary determines to be reasonable and appropriate. Unless otherwise provided in the concession contract, the reasonableness and appropriateness of rates and charges shall be determined primarily by comparison with those rates and charges for facilities, goods, and services of comparable character under similar conditions, with due consideration to the following factors and other factors deemed relevant by the Secretary:

- (A) Length of season.
- (B) Peakloads.
- (C) Average percentage of occupancy.
- (D) Accessibility.
- (E) Availability and costs of labor and materials.
- (F) Type of patronage.

(2) RATES AND CHARGES NOT TO EXCEED MARKET RATES AND CHARGES.—Rates and charges may not exceed the market rates and charges for comparable facilities, goods, and services, after taking into account the factors referred to in paragraph (1).

(c) IMPLEMENTATION OF RECOMMENDATIONS.—Not later than 6 months after receiving recommendations from the Advisory Board regarding concessioner rates and charges to the public, the Secretary shall implement the recommendations or report to Congress the reasons for not implementing the recommendations.

§ 101917. Franchise fees

(a) IN GENERAL.—A concession contract shall provide for payment to the Federal Government of a franchise fee or other monetary consideration as determined by the Secretary, on consideration of the probable value to the concessioner of the privileges granted by the particular contract involved. Probable value shall be based on a reasonable opportunity for net profit in relation to capital invested and the obligations of the concession contract. Consideration of revenue to the United States shall be subordinate to the objectives of protecting and preserving System units and of providing necessary and appropriate services for visitors at reasonable rates.

(b) PROVISIONS TO BE SPECIFIED IN CONTRACT.—The amount of the franchise fee or other monetary consideration paid to the United States for the term of the concession contract shall be specified in the concession contract and may be modified only to reflect extraordinary unanticipated changes from the conditions anticipated as of the effective date of the concession contract. The Secretary shall include in concession contracts with a term of more than 5 years a provision that allows reconsideration of the franchise fee at the request of the Secretary or the concessioner in the event of extraordinary unanticipated changes. The provision shall provide for binding arbitration in the event that the Secretary and the concessioner are unable to agree on an adjustment to the franchise fee in those circumstances.

(c) SPECIAL ACCOUNT IN TREASURY.—

(1) DEPOSIT AND AVAILABILITY.—All franchise fees (and other monetary consideration) paid to the United States pursuant to concession contracts shall be deposited in a special account established in the Treasury. in which the funds were collected. The funds deposited in the special account shall remain available until expended.

(2) SUBACCOUNT FOR EACH SYSTEM UNIT.—There shall be established within the special account a subaccount for each System unit. Each subaccount shall be credited with 80 percent of the franchise fees (and other monetary consideration) collected at a single System unit under concession contracts. The funds credited to the subaccount for a System unit shall be available for expenditure by the Secretary, without further appropriation, for use at the System unit for visitor services and for purposes of funding high-priority and urgently necessary resource management programs and operations. The funds credited to a subaccount shall remain available until expended.

(b) CONDITIONS.—The Secretary shall approve a transfer or conveyance described in subsection (a) unless the Secretary finds that—

(1) the individual, corporation, or other entity seeking to acquire a concession contract is not qualified or able to satisfy the terms and conditions of the concession contract;

(A) the protection, conservation, or preservation of the resources of the System unit; or

(B) the provision of necessary and appropriate facilities and services to visitors at reasonable rates and charges; and

(3) the terms of the transfer or conveyance are likely, directly or indirectly, to—

(A) reduce the concessioner's opportunity for a reasonable profit over the remaining term of the concession contract;

(B) adversely affect the quality of facilities and services provided by the concessioner; or

(C) result in a need for increased rates and charges to the public to maintain the quality of the facilities and services.

(c) MODIFICATION OR RENEGOTIATION OF TERMS.—The terms and conditions of any concession contract under this section shall not be subject to modification or open to renegotiation by the Secretary because of a transfer or conveyance described in subsection (a) unless the transfer or conveyance would have an adverse impact as described in subsection (b)(2).

§ 104906. Protection of right of individuals to bear arms

(2) Section 2.4(a)(1) of title 36, Code of Federal Regulations, provides that “except as otherwise provided in this section and parts 7 (special regulations) and 13 (Alaska regulations), the following are prohibited: (i) Possessing a weapon, trap or net (ii) Carrying a weapon, trap or net (iii) Using a weapon, trap or net”.

(3) The regulations described in paragraph (2) prevent individuals complying with Federal and State laws from exercising the 2d amendment rights of the individuals while at System units.

(4) The existence of different laws relating to the transportation and possession of firearms at different System units entrapped law-abiding gun owners while at System units.

(5) Although the Bush administration issued new regulations relating to the 2d amendment rights of law-abiding citizens in System units that went into effect on January 9, 2009—

(A) on March 19, 2009, the United States District Court for the District of Columbia granted a preliminary injunction with respect to the implementation and enforcement of the new regulations; and

(B) the new regulations—

(i) are under review by the Obama administration;
and

(ii) may be altered.

(6) Congress needs to weigh in on the new regulations to ensure that unelected bureaucrats and judges cannot again override the 2d amendment rights of law-abiding citizens on 83,600,000 acres of System land.

(7) Federal laws should make it clear that the 2d amendment rights of an individual at a System unit should not be infringed.

(b) PROTECTION OF RIGHT OF INDIVIDUALS TO BEAR ARMS IN SYSTEM UNITS.—The Secretary shall not promulgate or enforce any regulation that prohibits an individual from possessing a firearm, including an assembled or functional firearm, in any System unit if—

(1) the individual is not otherwise prohibited by law from possessing the firearm; and

(2) the possession of the firearm is in compliance with the law of the State in which the System unit is located.

§ 104907. Limitation on extension or establishment of national parks in Wyoming

No extension or establishment of national parks in Wyoming may be undertaken except by express authorization of Congress.

Amounts deposited in the Fund shall be available for expenditure for the purposes of this chapter only when appropriated for those purposes. The appropriations may be made without fiscal-year limitation. Amounts made available for obligation or expenditure from the Fund may be obligated or expended only as provided in this chapter.

§ 200304. Statement of estimated requirements

There shall be submitted with the annual budget of the United States a comprehensive statement of estimated requirements during the ensuing fiscal year for appropriations from the Fund. Not less than 40 percent of such appropriations shall be available for Federal purposes.

§ 200305. Financial assistance to States

(a) AUTHORITY OF SECRETARY TO MAKE PAYMENTS.—The Secretary may provide financial assistance to the States from amounts available for State purposes. Payments may be made to the States

by the Secretary as provided in this section, subject to such terms and conditions as the Secretary considers appropriate and in the public interest to carry out the purposes of this chapter, for outdoor recreation:

- (1) Planning.
- (2) Acquisition of land, water, or interests in land or water.
- (3) Development.

(b) APPORTIONMENT AMONG STATES.—Amounts appropriated and available for State purposes for each fiscal year shall be apportioned among the States by the Secretary, whose determination shall be final, in accordance with the following formula:

(1) Forty percent of the 1st \$225,000,000; 30 percent of the next \$275,000,000; and 20 percent of all additional appropriations shall be apportioned equally among the States.

(2) At any time, the remaining appropriation shall be apportioned on the basis of need to individual States by the Secretary in such amounts as in the Secretary's judgment will best accomplish the purposes of this chapter. The determination of need shall include consideration of—

(A) the proportion that the population of each State bears to the total population of the United States;

(B) the use of outdoor recreation resources of each State by persons from outside the State; and

(C) the Federal resources and programs in each State.

(3) The total allocation to a State under paragraphs (1) and (2) shall not exceed 10 percent of the total amount allocated to all of the States in any one year.

(4) The Secretary shall notify each State of its apportionments. The amounts shall be available for payment to the State for planning, acquisition, or development projects as prescribed. Any amount of any apportionment that has not been paid or obligated by the Secretary during the fiscal year in which the notification is given and for 2 fiscal years thereafter shall be reapportioned by the Secretary in accordance with paragraph (2) without regard to the 10 percent limitation to an individual State specified in this subsection.

(5) For the purposes of paragraph (1), the District of Columbia, Puerto Rico, Guam, American Samoa, the Virgin Islands, and the Northern Mariana Islands shall be deemed to be one State, and shall receive shares of the apportionment in proportion to their populations.

(c) MATCHING REQUIREMENTS.—Payments to any State shall cover not more than 50 percent of the cost of planning, acquisition, or development projects that are undertaken by the State. The remaining share of the cost shall be borne by the State in a manner and with funds or services as shall be satisfactory to the Secretary.

(d) COMPREHENSIVE STATE PLAN.—

(1) REQUIRED FOR CONSIDERATION OF FINANCIAL ASSISTANCE.—A comprehensive statewide outdoor recreation plan shall be required prior to the consideration by the Secretary of financial assistance for acquisition or development projects. The plan shall be adequate if, in the judgment of the Secretary, it encompasses and will promote the purposes of this chapter. No plan shall be approved unless the chief executive official of the State certifies that ample opportunity for public participation in plan development and revision has been accorded. The

Secretary shall develop, in consultation with others, criteria for public participation, which criteria shall constitute the basis for the certification by the chief executive official. The plan shall contain—

(A) the name of the State agency that will have authority to represent and act for the State in dealing with the Secretary for purposes of this chapter;

(B) an evaluation of the demand for and supply of outdoor recreation resources and facilities in the State;

(C) a program for the implementation of the plan; and

(D) other necessary information, as determined by the Secretary.

(2) FACTORS TO BE CONSIDERED.—The plan shall take into account relevant Federal resources and programs and shall be correlated so far as practicable with other State, regional, and local plans. Where there exists or is in preparation for any particular State a comprehensive plan financed in part with funds supplied by the Secretary of Housing and Urban Development, any statewide outdoor recreation plan prepared for purposes of this part shall be based on the same population, growth, and other pertinent factors as are used in formulating plans financed by the Secretary of Housing and Urban Development.

(3) PROVISION OF ASSISTANCE WHEN PLAN NOT OTHERWISE AVAILABLE OR TO MAINTAIN PLAN.—The Secretary may provide financial assistance to any State for projects for the preparation of a comprehensive statewide outdoor recreation plan when the plan is not otherwise available or for the maintenance of the plan.

(4) WETLANDS.—A comprehensive statewide outdoor recreation plan shall specifically address wetlands within the State as an important outdoor recreation resource as a prerequisite to approval, except that a revised comprehensive statewide outdoor recreation plan shall not be required by the Secretary, if a State submits, and the Secretary, acting through the Director, approves, as a part of and as an addendum to the existing comprehensive statewide outdoor recreation plan, a wetlands priority plan developed in consultation with the State agency with responsibility for fish and wildlife resources and consistent with the national wetlands priority conservation plan developed under section 301 of the Emergency Wetlands Resources Act of 1986 (16 U.S.C. 3921) or, if the national plan has not been completed, consistent with the provisions of that section.

(e) PROJECTS FOR LAND AND WATER ACQUISITION AND DEVELOPMENT OF BASIC OUTDOOR RECREATION FACILITIES.—

(1) IN GENERAL.—In addition to assistance for planning projects, the Secretary may provide financial assistance to any State for the types of projects described in paragraphs (2) and (3), or combinations of those projects, if the projects are in accordance with the State comprehensive plan.

(2) ACQUISITION OF LAND OR WATER.—

(A) IN GENERAL.—Under paragraph (1), the Secretary may provide financial assistance for a project for the acquisition of land, water, or an interest in land or water, or a wetland area or an interest in a wetland area, as identified in the wetlands provisions of the comprehensive

plan (other than land, water, or an interest in land or water acquired from the United States for less than fair market value), but not including incidental costs relating to acquisition.

(B) RETENTION OF RIGHT OF USE AND OCCUPANCY.—When a State provides that the owner of a single-family residence may, at the owner’s option, elect to retain a right of use and occupancy for not less than 6 months after the date of acquisition of the residence and the owner elects to retain such a right—

- (i) the owner shall be deemed to have waived any benefits under sections 203 to 206 of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (42 U.S.C. 4623 to 4626); and
- (ii) for the purposes of those sections the owner shall not be deemed to be a displaced person as defined in section 101 of that Act (42 U.S.C. 4601).

(3) DEVELOPMENT OF BASIC OUTDOOR RECREATION FACILITIES.—Under paragraph (1), the Secretary may provide financial assistance for a project for development of basic outdoor recreation facilities to serve the general public, including the development of Federal land under lease to States for terms of 25 years or more. No assistance shall be available under this chapter to enclose or shelter a facility normally used for an outdoor recreation activity, but the Secretary may permit local funding, not to exceed 10 percent of the total amount allocated to a State in any one year, to be used for construction of a sheltered facility for a swimming pool or ice skating rink in an area where the Secretary determines that the construction is justified by the severity of climatic conditions and the increased public use made possible by the construction.

(f) PAYMENTS.—

(1) CRITERIA FOR MAKING PAYMENTS.—The Secretary may make a payment to a State only for a planning, acquisition, or development project that is approved by the Secretary. The Secretary shall not make a payment for or on account of any project with respect to which financial assistance has been given or promised under any other Federal program or activity, and no financial assistance shall be given under any other Federal program or activity for or on account of any project with respect to which the assistance has been given or promised under this chapter. The Secretary may make payments from time to time in keeping with the rate of progress toward the satisfactory completion of a project. The approval of all projects and all payments, or any commitments relating thereto, shall be withheld until the Secretary receives appropriate written assurance from the State that the State has the ability and intention to finance its share of the cost of all of the projects, and to operate and maintain by acceptable standards, at State expense, the properties or facilities acquired or developed for public outdoor recreation use.

(2) PAYMENT RECIPIENTS.—Payments for all projects shall be made by the Secretary to the chief executive official of the State or to a State official or agency designated by the chief executive official or by State law having authority and responsibility to accept and to administer funds paid under this section for approved projects. If consistent with an

approved project, funds may be transferred by the State to a political subdivision or other appropriate public agency.

(3) CONVERSION TO OTHER THAN PUBLIC OUTDOOR RECREATION USE.—No property acquired or developed with assistance under this section shall, without the approval of the Secretary, be converted to other than public outdoor recreation use. The Secretary shall approve a conversion only if the Secretary finds it to be in accordance with the then-existing comprehensive statewide outdoor recreation plan and only on such conditions as the Secretary considers necessary to ensure the substitution of other recreation properties of at least equal fair market value and of reasonably equivalent usefulness and location. Wetland areas and interests therein as identified in the wetlands provisions of the comprehensive plan and proposed to be acquired as suitable replacement property within the same State that is otherwise acceptable to the Secretary, acting through the Director, shall be deemed to be of reasonably equivalent usefulness with the property proposed for conversion.

(4) REPORTS AND ACCOUNTING PROCEDURES.—No payment shall be made to any State until the State has agreed to—

(A) provide such reports to the Secretary in such form and containing such information as may be reasonably necessary to enable the Secretary to perform the Secretary's duties under this chapter; and

(B) provide such fiscal control and fund accounting procedures as may be necessary to ensure proper disbursement and accounting for Federal funds paid to the State under this chapter.

(g) RECORDS.—A recipient of assistance under this chapter shall keep such records as the Secretary shall prescribe, including records that fully disclose—

(1) the amount and the disposition by the recipient of the proceeds of the assistance;

(2) the total cost of the project or undertaking in connection with which the assistance is given or used; and

(3) the amount and nature of that portion of the cost of the project or undertaking supplied by other sources, and such other records as will facilitate an effective audit.

(h) ACCESS TO RECORDS.—The Secretary, and the Comptroller General, or any of their duly authorized representatives, shall have access for the purpose of audit and examination to any records of the recipient that are pertinent to assistance received under this chapter.

(i) PROHIBITION OF DISCRIMINATION.—With respect to property acquired or developed with assistance from the Fund, discrimination on the basis of residence, including preferential reservation or membership systems, is prohibited except to the extent that reasonable differences in admission and other fees may be maintained on the basis of residence.

(j) COORDINATION WITH FEDERAL AGENCIES.—To ensure consistency in policies and actions under this chapter with other related Federal programs and activities and to ensure coordination of the planning, acquisition, and development assistance to States under this section with other related Federal programs and activities—

(1) the President may issue such regulations with respect thereto as the President considers desirable; and

(2) the assistance may be provided only in accordance with the regulations.

(k) CAPITAL IMPROVEMENT AND OTHER PROJECTS TO REDUCE CRIME.—

(1) AVAILABILITY AND PURPOSE OF FUNDS.—In addition to assistance for planning projects, and in addition to the projects identified in subsection (e), and from amounts appropriated out of the Violent Crime Reduction Trust Fund, the Secretary may provide financial assistance to the States, not to exceed \$15,000,000, for projects or combinations thereof for the purpose of making capital improvements and other measures to increase safety in urban parks and recreation areas, including funds to—

(A) increase lighting within or adjacent to public parks and recreation areas;

(B) provide emergency telephone lines to contact law enforcement or security personnel in areas within or adjacent to public parks and recreation areas;

(C) increase security personnel within or adjacent to public parks and recreation areas; and

(D) fund any other project intended to increase the security and safety of public parks and recreation areas.

(2) ELIGIBILITY.—In addition to the requirements for project approval imposed by this section, eligibility for assistance under this subsection shall depend on a showing of need. In providing funds under this subsection, the Secretary shall give priority to projects proposed for urban parks and recreation areas with the highest rates of crime and, in particular, to urban parks and recreation areas with the highest rates of sexual assault.

(3) FEDERAL SHARE.—Notwithstanding subsection (c), the Secretary may provide 70 percent improvement grants for projects undertaken by a State for the purposes described in this subsection.

§ 200306. Allocation of Fund amounts for Federal purposes

(a) ALLOWABLE PURPOSES AND SUBPURPOSES.—

(1) IN GENERAL.—Amounts appropriated from the Fund for Federal purposes shall, unless otherwise allotted in the appropriation Act making them available, be allotted by the President for the purposes and subpurposes stated in this subsection.

(2) ACQUISITION OF LAND, WATER, OR AN INTEREST IN LAND OR WATER.—

(A) SYSTEM UNITS AND RECREATION AREAS ADMINISTERED FOR RECREATION PURPOSES.—Amounts shall be allotted for the acquisition of land, water, or an interest in land or water within the exterior boundary of—

(i) a System unit authorized or established; and

(ii) an area authorized to be administered by the Secretary for outdoor recreation purposes.

(B) NATIONAL FOREST SYSTEM.—

(i) IN GENERAL.—Amounts shall be allotted for the acquisition of land, water, or an interest in land or water within inholdings within—

(I) wilderness areas of the National Forest System; and

(II) other areas of national forests as the boundaries of those forests existed on January 1, 1965,

or purchase units approved by the National Forest Reservation Commission subsequent to January 1, 1965, all of which other areas are primarily of value for outdoor recreation purposes.

(ii) ADJACENT LAND.—Land outside but adjacent to an existing national forest boundary, not to exceed 3,000 acres in the case of any one forest, that would comprise an integral part of a forest recreational management area may also be acquired with amounts appropriated from the Fund.

(iii) LIMITATION.—Except for areas specifically authorized by Act of Congress, not more than 15 percent of the acreage added to the National Forest System pursuant to this section shall be west of the 100th meridian.

(C) ENDANGERED SPECIES AND THREATENED SPECIES; FISH AND WILDLIFE REFUGE AREAS; NATIONAL WILDLIFE REFUGE SYSTEM.—Amounts shall be allotted for the acquisition of land, water, or an interest in land or water for—

(ii) areas authorized by section 2 of the Refuge Recreation Act (16 U.S.C. 460k-1);

(iii) national wildlife refuge areas under section 7(a)(4) of the Fish and Wildlife Act of 1956 (16 U.S.C. 742f(a)(4)) and wetlands acquired under section 304 of the Emergency Wetlands Resources Act of 1986 (16 U.S.C. 3922); and

(iv) any area authorized for the National Wildlife Refuge System by specific Acts.

(3) PAYMENT AS OFFSET OF CAPITAL COSTS.—Amounts shall be allotted for payment into miscellaneous receipts of the Treasury as a partial offset for capital costs, if any, of Federal water development projects authorized to be constructed by or pursuant to an Act of Congress that are allocated to public recreation and the enhancement of fish and wildlife values and financed through appropriations to water resource agencies.

(4) AVAILABILITY OF APPROPRIATIONS.—Appropriations allotted for the acquisition of land, water, or an interest in land or water as set forth under subparagraphs (A) and (B) of paragraph (2) shall be available for those acquisitions notwithstanding any statutory ceiling on the appropriations contained in any other provision of law enacted prior to January 4, 1977, or, in the case of national recreation areas, prior to January 15, 1979, except that for any such area expenditures shall not exceed a statutory ceiling during any one fiscal year by 10 percent of the ceiling or \$1,000,000, whichever is greater.

(b) ACQUISITION RESTRICTIONS.—Appropriations from the Fund pursuant to this section shall not be used for acquisition unless the acquisition is otherwise authorized by law. Appropriations from the Fund may be used for preacquisition work where authorization is imminent and where substantial monetary savings could be realized.

§ 200307. Availability of Fund amounts for publicity purposes

(a) IN GENERAL.—Amounts derived from the sources listed in section 200302 of this title shall not be available for publicity purposes.

(b) EXCEPTION FOR TEMPORARY SIGNING.—In a case where significant acquisition or development is initiated, appropriate standardized temporary signing shall be located on or near the affected site, to the extent feasible, so as to indicate the action taken is a product of funding made available through the Fund. The signing may indicate the percentage amounts and dollar amounts financed by Federal and non-Federal funds, and that the source of the funding includes amounts derived from Outer Continental Shelf receipts. The Secretary shall prescribe standards and guidelines for the usage of the signing to ensure consistency of design and application.

§ 200308. Contracts for acquisition of land and water

Not more than \$30,000,000 of the amount authorized to be appropriated from the Fund by section 200303 of this title may be obligated by contract during each fiscal year for the acquisition of land, water, or interest in land or water within areas specified in section 200306(a)(2) of this title. The contract may be executed by the head of the department concerned, within limitations prescribed by the Secretary. The contract shall be a contractual obligation of the United States and shall be liquidated with money appropriated from the Fund specifically for liquidation of that contract obligation. No contract may be entered into for the acquisition of property pursuant to this section unless the acquisition is otherwise authorized by Federal law.

§ 200309. Contracts for options to acquire land and water in System

The Secretary may enter into contracts for options to acquire land, water, or interests in land or water within the exterior boundaries of any area the acquisition of which is authorized by law for inclusion in the System. The minimum period of any such option shall be 2 years, and any sums expended for the purchase of an option shall be credited to the purchase price of the area. Not more than \$500,000 of the sum authorized to be appropriated from the Fund by section 200303 of this title may be expended by the Secretary in any one fiscal year for the options.

§ 200502. Federal assistance

(a) ELIGIBILITY DETERMINED BY SECRETARY.—Eligibility of general purpose local governments for assistance under this chapter shall be based on need as determined by the Secretary. The Secretary shall publish in the Federal Register a list of local governments

eligible to participate in this program, to be accompanied by a discussion of criteria used in determining eligibility. Criteria shall be based on factors that the Secretary determines are related to deteriorated recreational facilities or systems and physical and economic distress.

(b) **ADDITIONAL ELIGIBLE GENERAL PURPOSE LOCAL GOVERNMENTS.**—In addition to eligible local governments established in accordance with subsection (a), the Secretary may establish eligibility, in accord with the findings and purpose of the Urban Park and Recreation Recovery Act of 1978 (Public Law 95-625, 92 Stat. 3538), of other general purpose local governments in metropolitan statistical areas as defined by the Director of the Office of Management and Budget.

(c) **PRIORITY CRITERIA FOR PROJECT SELECTION AND APPROVAL.**—

(1) **IN GENERAL.**—The Secretary shall establish priority criteria for project selection and approval that consider such factors as—

(A) population;

(B) condition of existing recreation areas and facilities;

(C) demonstrated deficiencies in access to neighborhood recreation opportunities, particularly for minority and low- and moderate-income residents;

(D) public participation in determining rehabilitation or development needs;

(E) the extent to which a project supports or complements target activities undertaken as part of a local government's overall community development and urban revitalization program;

(F) the extent to which a proposed project would provide—

(i) employment opportunities for minorities, youth, and low- and moderate-income residents in the project neighborhood;

entities, including the private sector and community and nonprofit organizations.

(F) Programs that leverage public or private recreation investments in the form of services, materials, or cash.

(G) Programs that show the greatest potential of being continued with non-Federal funds or that can serve as models for other communities.

(d) LIMITATION OF FUNDS.—Grants to discretionary applicants under subsection (b) may not be more than 15 percent of the total amount of funds appropriated under this chapter for rehabilitation grants, innovation grants, and recovery action program grants.

§ 200503. Rehabilitation grants and innovation grants

(a) MATCHING GRANTS.—The Secretary may provide 70 percent matching rehabilitation grants and innovation grants directly to eligible general purpose local governments on the Secretary's approval of applications for the grants by the chief executive officials of those governments.

(b) SPECIAL CONSIDERATIONS.—An innovation grant should be closely tied to goals, priorities, and implementation strategies expressed in local park and recreation recovery action programs, with particular regard to the special considerations listed in section 200504(c)(2) of this title.

(c) TRANSFER.—If consistent with an approved application, a grant recipient may transfer a rehabilitation grant or innovation grant in whole or in part to an independent special purpose local government, private nonprofit agency, or county or regional park authority if the assisted recreation area or facility owned or managed by the transferee offers recreation opportunities to the general population within the jurisdictional boundaries of the grant recipient.

(d) PAYMENTS.—Payments may be made only for a rehabilitation project or innovation project that has been approved by the Secretary. Payments may be made from time to time in keeping with the rate of progress toward the satisfactory completion of the project, except that the Secretary, when appropriate, may make advance payments on an approved rehabilitation project or innovation project in an amount not to exceed 20 percent of the total project cost.

(e) MODIFICATION OF PROJECT.—The Secretary may authorize modification of an approved project only when a grant recipient adequately demonstrates that the modification is necessary because of circumstances not foreseeable at the time at which the project was proposed.

§ 200504. Recovery action programs

(a) EVIDENCE OF LOCAL COMMITMENT TO ONGOING PROGRAMS.—As a requirement for project approval, local governments applying for assistance under this chapter shall submit to the Secretary evidence of their commitments to ongoing planning, rehabilitation, service, operation, and maintenance programs for their park and recreation systems. These commitments will be expressed in local park and recreation recovery action programs that maximize coordination of all community resources, including other federally supported urban development and recreation programs. During an initial interim period to be established by regulations under this chapter, this requirement may be satisfied by local government

submissions of preliminary action programs that briefly define objectives, priorities, and implementation strategies for overall system recovery and maintenance and commit the applicant to a scheduled program development process. Following this interim period, all local applicants shall submit to the Secretary, as a condition of eligibility, a 5-year action program for park and recreation recovery that satisfactorily demonstrates—

(1) systematic identification of recovery objectives, priorities, and implementation strategies;

(2) adequate planning for rehabilitation of specific recreation areas and facilities, including projections of the cost of proposed projects;

(3) the capacity and commitment to ensure that facilities provided or improved under this chapter shall continue to be adequately maintained, protected, staffed, and supervised;

(4) the intention to maintain total local public outlays for park and recreation purposes at levels at least equal to those in the year preceding that in which grant assistance is sought except in any case where a reduction in park and recreation outlays is proportionate to a reduction in overall spending by the applicant; and

(5) the relationship of the park and recreation recovery program to overall community development and urban revitalization efforts.

(b) CONTINUING PLANNING PROCESS.—Where appropriate, the Secretary may encourage local governments to meet action program requirements through a continuing planning process that includes periodic improvements and updates in action program submissions to eliminate identified gaps in program information and policy development.

(c) SPECIAL CONSIDERATIONS.—Action programs shall address, but are not limited to—

(1) rehabilitation of existing recreational areas and facilities, including—

(A) general systemwide renovation;

(B) special rehabilitation requirements for recreational areas and facilities in areas of high population concentration and economic distress; and

(C) restoration of outstanding or unique structures, landscaping, or similar features in parks of historical or architectural significance; and

(2) local commitments to innovative and cost-effective programs and projects at the neighborhood level to augment recovery of park and recreation systems, including—

(A) recycling of abandoned schools and other public buildings for recreational purposes;

(B) multiple use of operating educational and other public buildings, purchase of recreation services on a contractual basis;

(C) use of mobile facilities and recreational, cultural, and educational programs or other innovative approaches to improving access for neighborhood residents;

(D) integration of recovery program with federally assisted projects to maximize recreational opportunities through conversion of abandoned railroad and highway rights of way, waterfront, and other redevelopment efforts

and such other federally assisted projects as may be appropriate;

(E) conversion of recreation use of street space, derelict land, and other public land not now designated for neighborhood recreational use; and

(F) use of various forms of compensated and uncompensated land regulation, tax inducements, or other means to encourage the private sector to provide neighborhood park and recreation facilities and programs.

(d) PUBLICATION IN FEDERAL REGISTER.—The Secretary shall establish and publish in the Federal Register requirements for preparation, submission, and updating of local park and recreation recovery action programs.

(e) ELIGIBILITY FOR AT-RISK YOUTH RECREATION GRANTS.—To be eligible to receive at-risk youth recreation grants a local government shall amend its 5-year action program to incorporate the goal of reducing crime and juvenile delinquency and to provide a description of the implementation strategies to achieve this goal. The plan shall also address how the local government is coordinating its recreation programs with crime prevention efforts of law enforcement, juvenile corrections, and youth social service agencies.

(f) MATCHING RECOVERY ACTION PROGRAM GRANTS.—The Secretary may provide up to 50 percent matching recovery action program grants to eligible local governments for program development and planning specifically to meet the objectives of this chapter.

§ 200505. State action

(a) ADDITIONAL MATCH.—The Secretary may increase rehabilitation grants or innovation grants authorized in section 200503 of this title by providing an additional match equal to the total match provided by a State of up to 15 percent of total project costs. The Federal matching amount shall not exceed 85 percent of total project cost.

(b) ADEQUATE IMPLEMENTATION OF LOCAL RECOVERY PLANS.—The Secretary shall encourage States to assist the Secretary in ensuring—

(1) that local recovery plans and programs are adequately implemented by cooperating with the Secretary in monitoring local park and recreation recovery plans and programs; and

(2) consistency of the plans and programs, where appropriate, with State recreation policies as set forth in statewide comprehensive outdoor recreation plans.

§ 200506. Non-Federal share of project costs

(a) SOURCES.—

(1) ALLOWABLE SOURCES.—The non-Federal share of project costs assisted under this chapter may be derived from general or special purpose State or local revenues, State categorical grants, special appropriations by State legislatures, donations of land, buildings, or building materials, and in-kind construction, technical, and planning services. SEC. 6. TRANSITIONAL AND SAVINGS PROVISIONS.

(a) DEFINITIONS.—In this section:

(1) SOURCE PROVISION.—The term “source provision” means a provision of law that is replaced by a title 54 provision.

(2) TITLE 54 PROVISION.—The term “title 54 provision” means a provision of title 54, United States Code, that is enacted by section 3.

(b) CUTOFF DATE.—The title 54 provisions replace certain provisions of law enacted on or before January 15, 2013. If a law enacted after that date is otherwise inconsistent with a title 54 provision or a provision of this Act, that law supersedes the title 54 provision or provision of this Act to the extent of the inconsistency.

(c) ORIGINAL DATE OF ENACTMENT UNCHANGED.—For purposes of determining whether one provision of law supersedes another based on enactment later in time, a title 54 provision is deemed to have been enacted on the date of enactment of the source provision that the title 54 provision replaces.

(d) REFERENCES TO TITLE 54 PROVISIONS.—A reference to a title 54 provision is deemed to refer to the corresponding source provision.

(e) REFERENCES TO SOURCE PROVISIONS.—A reference to a source provision, including a reference in a regulation, order, or other law, is deemed to refer to the corresponding title 54 provision.

(f) REGULATIONS, ORDERS, AND OTHER ADMINISTRATIVE ACTIONS.—A regulation, order, or other administrative action in effect under a source provision continues in effect under the corresponding title 54 provision.
